

ORBITER Credits

Last updated 12 March 2001

Mercury map:

Author: James Hastings-Trew

URL: <http://apollo.spaceports.com/~jhasting/>

Download date: 2000

Original format: 1024x512 Jpeg

Notes by the author:

"Based on greyscale map which covered 48% of the surface ... cloned to cover entire surface ... mostly fiction"

Venus cloud map:

Author: Björn Jónsson

URL: <http://www.mmedia.is/~bjj/data/venus/venus.html>

Download date: 12 March 01

Original format: 1800x900 Jpeg

Earth surface and cloud map:

Author: James Hastings-Trew

URL: <http://apollo.spaceports.com/~jhasting/>

Download date: 21 February 01

Original format: 10800x5400 Jpeg (surface)

1024x512 Jpeg (clouds)

Mars map:

Author: From the OpenUniverse page

URL: <http://openuniverse.sourceforge.net/>

Download date: February 01

Original format: 8192x4096 Jpeg

Phobos and Deimos:

Meshes:

Author: James Hastings-Trew

URL: <http://apollo.spaceports.com/~jhasting/mars.html>

Download date: 12 March 01

Notes by the author:

Meshes are downsampled versions of OpenUniverse Objects

Texture Maps:

Author: From the OpenUniverse page

URL: <http://openuniverse.sourceforge.net/>

Download date: February 01

Original format: 256x256 Jpeg

Jupiter map:

Authors: Constantine Thomas and James Hastings-Trew

URL: <http://www.btinternet.com/~consty/render/planets/jupiter.htm>
Download date: 12 March 01
Original format: 1024x512 Jpeg
Notes by the author:
"Constructed from Voyager data (JPL/NASA)"

Saturn map:

Author: Björn Jónsson
URL: <http://www.mmedia.is/~bjj/data/saturn/saturn.html>
Download date: 12 March 01
Original format: 1800x900 Jpeg
Notes by the author:
"Created from Voyager data with some artistic interpretation"

Saturn ring data:

Author: Björn Jónsson
URL: <http://www.mmedia.is/~bjj/data/saturn/rings.html>
Download date: 9 March 01
Notes by the author:
"Created from Voyager images"

Uranus map and Uranus ring data:

Author: James Hastings-Trew
URL: <http://apollo.spaceports.com/~jhasting/uranus.html>
Download date: 2000
Original format: 1024x512 Jpeg
Notes by the author:
"Painted pretty much from scratch based on images found around the internet."

Neptune map:

Author: James Hastings-Trew
URL: <http://apollo.spaceports.com/~jhasting/neptune.html>
Download date: 2000
Original format: 1024x512 Jpeg
Notes by the author:
"Painted pretty much from scratch based on images found around the internet."
